Responsive Design

GD Interactive takes pride in and has a passion for web design. Clients have different tastes and require different elements. After understanding what the client requires, extracting from our knowledge base begins the process of creating something unique. We have created an original handmade template that looks good and works.

Two Way Street

Adjustments happen. Keeping the lines of communication open is tantamount. The focus is on putting the client's best foot forward and giving viewers a simple and interesting experience.

Wordpress

Wordpress these days has so many powerful theme and plugin options it's become the obvious choice for a cost effective solution. It allows back end management of content and inventory capabilities by the site owner. Everything is database driven. This saves webmaster costs.

Pricing

GD Interactive understands people have budgets. From a simple web presence to augment your business to a full blown selling machine, we have you covered. Ballpark figures ...

You Need Something	\$800.00
You Are Looking Good	\$1500.00
You Are Killing It	\$2400.00

Testimonials

Yana Sheshukova, Teddy's Restaurant

Working with GD Interactive has been great. I appreciate their transparency and honesty on the work they provide as well as the expertise they bring to digital marketing and measurement. They are always looking for new ways to improve results for us. GD Interactive is a company that I trust and can fully recommend.

Richard Patterson, Pairs Golf

Geoff Dean at GD Interactive has been able to clean up our pairsgolf.com website when other website developers could not. I would highly recommend Geoff to my friends and business associates for any of their website needs.

Donna Dahl, Memory Speaker

If you are looking for a website builder with a successful track record and a strong desire to please his customers, you need look no further than GD Interactive. Geoff at GD Interactive understands the challenges of small business and the need to put your best image out there on the internet.

Tom Suggitt, Suggitt Communications

Working with GD Interactive has been a pleasant and beneficial experience. Geoff provides concise and cost effective solutions to the constantly evolving technological components of business.

Frederick Turbide, Novel Notion Advertising

I must say, dealing with Geoff's company since 2001 has been excellent and appreciated. His prompt deliverance and user friendly commitment to my projects has put my stress at ease. He is very good at what he does.

Rob Pasay, BugByte Corporation

Not only are his prices reasonable, but he is too, and always seems to be able to find a way around whatever hurdle I give him. His attention to detail is impeccable. I would put him in the top five web designers in Edmonton.

Nancy Brown, Hair Flaire Hairstyles

We needed a website that would set us apart from all the other beauty salons in the Edmonton region. Geoff delivered, creating a look and feel that reflects our cutting edge style that our clients love.

Alvin Thomas, Sunclip Express

By creating an easy to navigate mobile version of our company's website Geoff was able to keep our company relevant in the optical market place.

Brendan Guse, Sunclip Express

When our company decided to branch out into marketing sunglasses using ecommerce, there was only one person to call. Geoff.
